Mission Statement, Goals, and Objectives

Mission Statement

Our mission at SISD is to provide a high quality education for all students within a safe and secure learning environment in order to prepare students for a lifetime of learning and develop necessary skills through rigorous instruction that challenges each student to become successful and responsible global citizens.

Needs Assessment

The Sidney ISD District Campus Committee reviewed the AEIS data and disaggregated STAAR results in order to identify areas of needed improvement. Data summary follows that indicates previous and current results for ELR, Science, EOC's, Social Studies and Math accountability tests. Attendance totals, current graduation plans, and dual credit classes are also taken into consideration

Purpose Statements

1. Increase student performance.
2. Increase parental/community involvement.
3. Provide a safe, physical/mental/emotional health, and violence-free environment.
4. Provide quality instruction.

Students at Sidney ISD will perform to their highest level of potential as a result of successful learning and positive self-esteem.

Sidney Independent School District District/Campus Improvement Plan –
